

# Attendance for the SIGHT Project July Meeting

Meeting Date & Time: July 18, 2025 11:00 AM – 12:17 PM

Project Number: WSIC26-250206-009

Miami University

## Preamble

During this meeting, we explored multiple approaches for capturing attendance, including Zoom, a Google Form, and a manual sign-up sheet for those attending together. The information from these sources was aggregated and then verified. The aggregated information is presented in the table below. Going forward, we will likely rely on Zoom's participant reports for attendance.
