End of Session

#1 TAM Questionnaire (about 5 min) 2

Participant ID: P _____ This questionnaire takes about 5 minutes.

Technology Acceptance Questionnaire (TAM)

This questionnaire gives you an opportunity to rate how useful and how easy to use the **SIGHT AR system** is. As much as possible, think about all the tasks you did with the system while you answer. Please read each statement and mark **one circle** to show how strongly you agree or disagree with it. Read the statements carefully, but don't spend a lot of time on any one item; your first impression is fine. You may leave blank any statement you do not want to answer.
